Bajar Scharaw is an associate in the law firm of McDermott Will & Emery Rechtsanwälte Steuerberater LLP in Frankfurt am Main. He focuses his practice on international dispute resolution, with an emphasis on international arbitration. Bajar studied law at the University of Konstanz. After his First and Second State Exam he graduated from the University of Queensland, Australia with a Master of Laws (LL.M.) in international economic law. He was a legal trainee at the Higher Regional Court of Karlsruhe. During this time he also worked for renowned German and international law firms in Germany and London. Bajar is a PhD candidate at the law faculty of the University of Mannheim, where he also spent three years as a research fellow. His research is within the field of public international law and investment treaty arbitration. Bajar is fluent in German and English.
